Travel safely with us

15th November 2021

Dear Parent / Guardian

Re: Changes to school service 7245 pm in Term 1 2022

As part of our Translink government contract requirements we have recently undertaken a routine review of our school services to identify any operational efficiencies

From the start of Term 1 2022, there will be some changes to the timing points on the 7245pm service. The changes have been made to better reflect the actual operating times of the service.

There will also be an extension to the service, it will no longer finish at Kangaroo Ave near Bestman Ave bus stop, instead the service will continue through to the Bribie Island Library bus stop on Welsby Pde near First Ave.

Please find attached a copy of the updated run sheet with changes highlighted / shaded in green.

The changes will take effect from Term 1, Monday 24th January 2022.

Outside of the above changes we would also like to advise parents and students that this bus service may be covered off by one of our plain white buses with either Caboolture Bus Lines or Bribie Island Coaches signwriting or by one of our green buses with the Translink signwriting.

In all instances regardless of the type of bus used on the service, the front windscreen destination sign will display the run number 7245 so that the school, parents, and students can identify the service.

If you have any queries or concerns, please contact our office on 5495 4744.

Thank you,

Caboolture Bus Lines.
