

Schedule of Fees - 2023

Moreton Bay Birali Steiner School Association Inc. is a not-for-profit association. All School fees and levies contribute to your child's/children's education and the provision of related facilities. Birali Steiner School endeavours to keep fees to an affordable level, while ensuring quality education, accommodating actual running costs of the Birali Steiner School, increasing the curricula offerings, and incorporating costs of developing a new purpose-built campus.

Birali Steiner School will continue to budget for a fee increase each year with consideration of the Educational Consumer Price Index (CPI), comparative to other SEQ Steiner and local area schools. For any change to this arrangement the school needs to be notified in writing by all signatories on the Enrolment Contract and an agreement to the effect must be put in writing.

Split Accounts

Parents/caregivers may elect to maintain 50-50 Split accounts for payment of fees by requesting a split in writing. Agreement of both parties is essential for this arrangement to be set up. Split accounts are created only for convenience of parents/caregivers in paying their 50% share of the dues and does not override joint and several responsibility for the full fees due for the year. If one parent/caregiver defaults on their payments, the other parent/caregiver will remain liable to make good the shortfall even if they are fully paid up for their share. Early payment discounts applied to one split account will be withdrawn if the other account remains in arrears.
